

QUALITY POLICY

Our Quality Policy is an integral part of business policy and organization framework for defining quality objectives. It is based on establishing a credible management system that continually improves.

This quality policy is applicable for all business sites of Autostop Companies, as: Autostop Interiors doo, Autostop Floormats doo, Autostop Materials doo.

For this purpose, the following principles of the Quality Policy are established:

Honor the language and spirit of the law of every nation and undertake open and fair corporate activities to be a good corporate citizen of the world

Respect the culture and customs of every nation and contribute to economic and social development through corporate activities in the local communities

Dedicate ourselves to providing clean and safe products and to enhancing the quality of life everywhere through all our activities

Reduce the environmental impact by sustainable manufacturing through proactive resource efficiency across all functions and develop environmentally friendly products

Create and develop advanced technologies and provide outstanding products and services that fulfill the needs of our customers worldwide

Foster a corporate culture that enhances individual creativity and teamwork value, while honoring mutual trust and respect between labor and management

Pursue growth in harmony with the global community through innovative management.

Work with business partners in research and development to achieve stable, long-term growth and mutual benefits, while keeping ourselves open to new partnerships

Continuous business and process improvement with clearly defined responsibilities, management of systems as required by IATF 16949, achievement of product conformity and hence customer satisfaction.

Each **AUTOSTOP** process as well as employee to perform by objectives, taking into account needs and objectives of interested parties.

AUTOSTOP puts emphasis on local responsibility activities and needs including selection of material and services supplied always in accordance to Customer, IATF, legal and organizational requirements.

Based on "*Mutual Trust and Responsibility*", **AUTOSTOP** continuously strives to create a safe and harmonious working environment for its employees, guided by the awareness that the success of its business depends on the satisfaction of its customers.
